

REMARKSI. Introduction

In response to the Office Action dated September 20, 2005, claims 2, 15 and 28 have been canceled, and claims 1, 14 and 27 have been amended. Claims 1, 3-14, 16-27 and 29-39 remain in the application. Re-examination and re-consideration of the application, as amended, is requested.

II. Prior Art Rejections

In sections (4)-(5) of the Office Action, claims 1, 3-14, 16-27, and 29-39 were rejected under 35 U.S.C. §103 as being unpatentable over Doherty ("Project specific Web sites," from Interiors, Vol. 157, March 1998), in view of Glasser et al. (Glasser), U.S. Patent No. 5,956,715.

However, in section (6) of the Office Action, claims 2, 15, and 28 were indicated as being allowable, if rewritten in independent form including all the limitations of the base claim and any intervening claims.

Applicants' attorney acknowledges the indication of allowable claims, and has amended claims 1, 14 and 27 to incorporate the limitations of claims 2, 15 and 28, respectively. Consequently, Applicants' attorney submits that all the claims are now allowable.

III. Conclusion

In view of the above, it is submitted that this application is now in good order for allowance and such allowance is respectfully solicited.

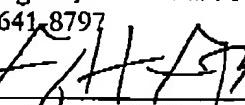

Should the Examiner believe minor matters still remain that can be resolved in a telephone interview, the Examiner is urged to call Applicants' undersigned attorney.

Respectfully submitted,

GATES & COOPER LLP
